Announcement – Regulated information

Signing of agreement for the acquisition of wind parks of 44MW total capacity and of PV plants of 2MW capacity

PPC S.A. informs that, within the framework of a tender process carried out by Piraeus Equity Partners, its subsidiary PPC Renewables has been selected as the preferred bidder. Specifically, the Share Purchase Agreement (SPA) was signed for the companies which own wind parks in operation with a total capacity of 44MW and PV parks of 2MW capacity. The transaction was realized through a competitive process, with Greek and international companies participating, during which PPC Renewables was selected as the preferred bidder.
