

ANNOUNCEMENT

Regarding Medium Voltage tariffs, PPC announces the following:

- According to the legal framework, Medium Voltage tariffs have been deregulated since 1st of January 2012.
- PPC's new tariffs for Medium Voltage will be effective as of 00:01 on Wednesday 1st of February 2012.
- New standard tariffs were formulated taking into account:
 - the cost data of the Company for 2012
 - the energy consumption profile of its customers
 - the lifting of distortions between customer categories
 - the simplification of the tariff structure
