PPC, focusing on students, their needs, as well as their experience, developed PPC myHome4Students, a new, holistic proposal tailored to suit student life. With a fixed charge of €0.129/kWh on electricity for the first 150kWh and exclusive deals such as a discount of an additional 10% at Kotsovolos stores, free Miles+Bonus miles from AEGEAN and offers on youth brands through PPC myRewards Coupons, PPC supports students in their new life stage.

The new PPC myHome4Students product offers a fixed, competitive price of 0.129€/kWh for the first 150kWh, corresponding to the average monthly electricity consumption of a typical student house. Moreover, for those who activate bill payment via standing order, an additional 3% discount is offered.

The PPC myHome4Students offers free fixed fees for the three summer months, while for the rest of the contract duration the monthly fixed fee shall amount to 3€. Finally, by activating the new product, the GreenPass add-on service from PPC is also available free of charge throughout contract duration, which guarantees that an equivalent amount of the electricity consumed is generated and reserved from Renewable Energy Sources.

Discount up to 10% extra at Kotsovolos stores for technology products and home appliances.

Students who choose the PPC myHome4Students can enjoy a discount up to 10% in addition to any existing offers on technology products and home appliances from Kotsovolos stores, with PPC actively supporting their new start.

PPC is implementing its strategy to be an integrated supplier and energy advisor, providing holistic proposals and energy solutions for all. At the same time, following the recent acquisition of Kotsovolos stores, it is able to meet all the needs of the modern student- customer.

**5,000 Miles+Bonus miles from AEGEAN - deals, gifts and discounts through PPC myRewards Coupons, which are constantly renewed**

At the same time, by activating the PPC myHome4Students product, PPC rewards students with **5,000 Miles+Bonus miles from AEGEAN**, making their new journey even more exciting.

Students who choose the PPC myHome4Students electricity product can also enjoy the coffee of the day at Coffee Island for a whole month for free. In addition, the "first filling of the fridge" with purchases from efood for the new student house is an extra offer from PPC.

Offers, gifts and discounts for students will be constantly updated on PPC myRewards coupons, the specially designed section on the myDEI digital platform, where students can discover a variety of youth brands and choose the one they want with just one click.

#### Process for activating the PPC myHome4Students

Students are eligible to activate the PPC myHome4Students, provided they present their active academic ID or a certificate of registration to a Greek University (undergraduate and postgraduate students). The contract can be made either in the name of the student or in the name of the parent/guardian and is valid for one year, with automatic renewal for as long as the academic ID is valid.

Those interested can activate the PPC myHome4Students at any PPC Store or call at 800-900-1000. From September, they will be able to activate it by registering on myDEI. Further information is available on PPC myHome4Students page at <https://www.dei.gr/en/home/electricity/ppc-myhome-4students/>.
